ASV Morris Pottery Kiln Meeting

Submitted by Jeff Good

The ASV Morris Pottery Kiln Committee will be meeting on Sunday April 3, 2005 1130 a.m. at Ever’s Family Restaurant.

We will discuss MCASV’s plans for the structure, and review our long-term goals for the kiln. We will then car pool to the site west of Dayton. After that we will go to Spring Creek to examine some of the artifacts from the site and any further discussion about the kiln.

The MCASV Morris Pottery Committee will give a report at the April meeting to let everyone know how things went.

GOLDIE’S BIRTHDAY PARTY

Submitted by Janice Biller

Goldie Runion, one of our chapter’s charter members, is turning 88 on April 13, 2005. There will be a party for her at Harrisonburg Health & Rehab on Sunday April 10, 2005 at 5:00 p.m.
Everyone is welcome to attend. Please bring a card and your thoughts to share with her.
If you can’t attend please send a card to:

CHICKEN BBQ

Submitted by Laura Roder
Come out and help us with our annual fundraiser, the MCASV Chicken Barbeque!! This year we will be selling the chicken at our usual venue, the Bridgewater IGA, on May 21, 2005. We would greatly appreciate any help with preparation and/or selling of the chicken on May 20 or 21. Please contact Jeff Good at atlatl@adelphia.net if you would like to help. Listed below are the times with the members that have already signed up. We need as many people as possible, so if the time slot looks full we can still use the help. If you aren’t able to help during the event, please spread the word so we will be sure to get many customers and sell out early!!

## CERTIFICATION STUDENTS

*Submitted by Joe Sharrer*

I have volunteered to collect and collate information so that Carole will have a good picture of the training needs of the Chapter for the coming year. Please refer to your Blue Book for the requested info and make sure that it is up to date on your activity record. In order to do this you will need to send me the following:

- **Lecture needs.** Please list your lecture requirements grouped by area. These areas are Core Courses, Field Survey, Laboratory Techniques, and Excavation

- **Lab hour needs:** Please list by historic and prehistoric hours needed.

- **Readings:** List any books you are having trouble finding

- **Field Survey hours needed.** Please list by historic and prehistoric hours needed

- **Excavation hours needed.** Please list by historic and prehistoric hours needed

**You do not need to be exhaustive in this reply. List what you want/need to get done soon.**

Reply to Joe Sharrer or call if you have any questions.
